

COVID-19 in Infants and Children: Lessons From Italy

Presented by Paolo Manzoni, MD, PhD

Dr. Manzoni is director of the Division of Pediatrics and Neonatology in the Department of Maternal-Infant Medicine at Nuovo Ospedale degli Infermi, Ponderano (Biella), Italy. He serves on the Board of Directors, Neonatal Infectious Disease Group of the Italian Society of Neonatology, and on the Scientific Board of the European Association of Perinatal Medicine.

Activity Overview

Dr. Manzoni shares his perspectives and research for COVID-19 in infants and children, comparing the latest data and studies in China, Italy, and the United States. Dr. Manzoni further discusses the peculiar presentations in children, including gastrointestinal and peripheral vasculitis.
