

# You're Invited to a Healthcare Professional CE Group Viewing Event

## Safeguard Their Tomorrows: A Resource to Help Prevent Infant Abductions

The **National Center for Missing and Exploited Children** has created this video resource to help prevent infant abductions from the hospital setting. The video includes a behavior profile of offenders, considers infant abduction trends in healthcare facilities, summarizes regulatory requirements and professional standards, and provides practical methods for preventing infant abduction.

After viewing, go to <https://pnce.org/gv/60501> to complete a short assessment and get your certificate.

### Target Audience

This education was developed to support managers and staff members of newborn nurseries, labor and delivery units, postpartum units, and pediatric units; and for nurses, pediatricians, hospital administrators, hospital security personnel, and hospital risk managers.

### Learning Objectives

At the conclusion of this activity, participants should be better able to:

- Identify the behavioral profile of an infant abductor and detect a potential infant abductor
- Discuss topics to include when educating parents about infant abduction
- Identify infant abduction trends in health care facilities
- Describe methods for preventing, recognizing, and documenting an infant abduction or attempted abduction.

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Annenberg Center for Health Sciences at Eisenhower (Annenberg Center) is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

The Annenberg Center designates this enduring material for a maximum of 0.75 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Annenberg Center designates this enduring activity for a maximum of 0.75 American Nurses Credentialing Center (ANCC) contact hour.

Provider is approved by the California Board of Registered Nursing, Provider #13664, for 1.0 contact hour. *To receive credit for education contact hours outside of the state of California, please check with your state board of registered nursing for reciprocity.*
